

The latest on Jules Levine –

**Jules would be very happy to be visited by classmates.**

Jules reports (on August 25) that he has been in Massachusetts General Hospital for a month and in Kindred Hospital in Boston for almost another month. He expects to remain in Kindred for another week at least. His address at Kindred is:

Room 204  
1515 Commonwealth Avenue  
Boston, MA 02135

Jules' schedule should give ample time if you can visit after 12 noon (except on Monday, Wednesday and Friday when he may have physical therapy between 12:30 and 4:00).

In any case, **before setting out to visit, call the main switchboard, 617-254-1100** to determine that Jules is available.
