

JULES LEVINE: MARCH, 2016 UPDATE

After a stint (December, 2015/January, 2016) in Massachusetts General Hospital with pneumonia, our Valedictorian **Jules Levine** is back at Care One, a nursing home @ 2101 Washington Street (Route 16) in Newton, MA (02462), practically across the street (north side) from Newton-Wellesley Hospital -- exit 21A going south on 95/128 or exit 21 going north on 95/128. Jules is in room 167 and can be contacted via mail, email @ levinejules25@gmail.com or by phone @ (617) 831-2637 (Jules' personal number) or @ (617) 831-2742. Note: by his own admission, he finds it difficult to hear on the phone.

Henry Marcy and Gerry Levenson visited (separately) Jules on Tuesday, December 8, 2015. I (Henry) had an absolutely delightful time with Jules and Gerry tells me that he did also. Jules is doing great (despite being unable to use his esophagus); he is even aspiring to attend, once again, a Class luncheon! In the meantime, he is working to regain his strength, keeping up with the political scene, and, of course, reading voraciously. Please consider visiting him yourself. Jules would love the company. If you are planning to visit, you ought to first call Care One @ the 617 831-2742 to find out what his physical therapy and other schedules are in order to determine the best times.
