

Henry,

Jules Levine: He is also still at the last place that was reported: The Kindred hospital--In any case, before setting out to visit, call the main switchboard, 617 -254-1100 to determine that Jules is available. 1515 Comm. Ave. 617-254-1100, room 204, Ext. 8454. Jules' condition appears to be slowly worsening, and it is probably best to call ahead since he was waiting to get hearing aids as of last week. He presently finds it difficult to communicate effectively.
